Jill Werner, the Advisor for North Key Club, has asked us for some help. As a service project, their club is cleaning up 5 local residents yards along with some Landmark Commission Sites. She asked if we could provide a minimum of 4 members to chaperone some of these groups. No work from us is required, however if you'd like to help with the work I'm sure it would be appreciated. So far we have 2-3 members that have said they are interested in doing this. So we need at least one more, but could use a couple more to help them out.

The date of the Service Learning Day is May 23rd. The hours are from 9:00-12:00. The locations will be provided later, but they will be in the Waukesha area. If you would like to volunteer, please let me know so I can communicate with Jill. If you have the time to do this, please consider volunteering. I think it's always good to show the younger generations how important it is to keep volunteer work as a priority throughout life.
